Steering Wheel Handsfree Phone Kit by Wagan Tech

MAIN FEATURES

- High echo cancellation.
- SmartAudio noise suppression function to ensure crystal clear communication even in noisy environments.
- One flexible and convenient multifunction key to pair devices, voice dial, answer, reject and redial the last number.
- Supports FM stereo frequency transmission.
- Ergonomic steering wheeling design.
- Use headset separately for private calls or when you leave the car.

CHARGING THE STEERING WHEEL KIT

The Steering Wheel Handsfree Phone kit comes with a built-in rechargeable battery. Prior to using the device, it is recommended to charge the battery fully for the first time.

Important: the charging indicator will be delayed about 15 minutes if the headset has not been used for a long time or the battery is drained.

Select the "CHARGE" position to use the device while charging the headset.

NORMAL CHARGING TIME

Normal charging time for a full charge is under 4 hours. When the battery is fully charged the LED indicator will turn off.

SWITCHING ON AND OFF

To turn the device on slide the mode selector to the "ON" position. To switch off, while in standby mode slide to the "OFF" position. The LED will turn off.

CONNECTING THE HANDSFREE KIT TO A BLUETOOTH DEVICE

1. Switch on the handsfree kit.
2. Insert the detachable headset into the outlet of the steering wheel kit.
3. Press and hold the "Multifunction" key for 5 seconds until the headset LED alternately flashes red and blue. Its now ready for pairing.
4. Activate your Bluetooth® enabled device and search for the Bluetooth headset: EL-2591.
5. Select Bluetooth device: EL-2591.
6. Enter the password or PIN "0000"and confirm.
7. After pairing is complete, the headset LED will flash blue 3 times.
8. Turn on a nearby FM radio and tune it to FM frequency 107.9MHz to ensure the point-to-point wireless connection with the Bluetooth device has been completed.

You also can pair the headset with your Bluetooth device successfully prior to inserting the headset into the steering wheel kit outlet.

NOTE: Please adjust your phone and car volume to moderate levels before using the Steering Wheel Handsfree Phone Kit.

ANSWERING A CALL

When the headset is connected to your Bluetooth device and you receive an incoming call, press the "Multifunction" key for 0.1 seconds to answer.

REJECTING A CALL

When receiving an incoming call, you will hear a beep. Press and hold the "Multifunction"key for 2 seconds if you wish to reject the call.

Steering Wheel Handsfree Phone Kit by Wagan Tech

ENDING A CALL

Press the "Multifunction" key once to end a call.

VOICE DIALING FROM HANDSFREE PHONE KIT

If your mobile is equipped with a voice dialling function, simply press the "Multifunction" key on the steering wheel kit. When you hear a beep, say the voice tag to dial out a call.

(Note: please make sure to record the voice tag into your Bluetooth device before using the voice dialing function)

REDIALING THE LAST NUMBER

Under standby mode, press the "Multifunction" key twice rapidly.

SAVING A NUMBER

The Steering Wheel Handsfree Phone Kit can save a phone number to memory. Use it to conveniently call home or quickly dial an emergency care center. When in a call, press and hold the "Multifunction" key for 2 seconds to save the number into headset. When you hear a beep the number is saved.

DIALING THE SAVED NUMBER

When the steering wheel kit is connected to your phone in standby mode, press and hold the "Multifunction" key for 2 seconds to dial the saved number.

ADJUSTING THE VOLUME

Adjust the volume with the "+" and "-" keys to reach your desired level. You can also adjust the Bluetooth device volume or car audio if using the FM transmitter.

CARE AND PRECAUTIONS

- Never mount or store your headset over any air bag deployment area as serious injury may result if the air bag deploys.
- Never allow children to play with the headset: small parts may be a choking hazard.
- Do not attempt to disassemble or damage the headset or built-in battery. Do not disassemble the charger as it may expose you to dangerous high voltages and other risks.
- Only use the supplied charger when charging the headset. Please recharge the headset when its indicator flashes red.
- Do not use the charger outdoors in damp areas. Avoid charging the headset in extremely high and low temperatures.
- Do not expose the headset to extremely high or low temperatures (below 32°F (0°C) or above 122°F (50°C)).
- Use your mobile phone and headset while driving in accordance with your local laws. Please pay attention and focus on the road to drive in a responsible and safe manner if you use the headset while driving.
- Observe all signs that require an electrical devices or RF radio products to be switched off in designated areas. These could include hospitals, blasting areas and potentially explosive atmospheres .
- Turn off you headset prior to boarding any aircraft. Do not use in flight.
- NOTE: Check local regulations regarding the disposal of batteries. Do not dispose of as household waste.

WAGAN CORP. LIMITED WARRANTY

All WAGAN Corporation products are warranted to the original purchaser of this product.

Warranty Duration: This product is warranted to the original purchaser for a period of one (1) Year from the original purchase date, to be free of defects in material and workmanship. WAGAN Corporation disclaims any liability for consequential damages. In no event will WAGAN Corporation be responsible for any amount of damages beyond the amount paid for the product at retail. In the event of a defective item, please contact WAGAN Corporation at (800) 231-5806 to obtain a Returned Merchandise Authorization number (RMA#), and return instructions. Each item returned will require a separate RMA#. After you have received the RMA# and the return instructions from WAGAN Corporation, please follow the instructions and send the item with PREPAID SHIPPING, along with all of the required documentation, a complete explanation of the problem, your name, address and daytime phone number. WAGAN Corporation will, at its option, replace or repair the defective part.

A Returned Merchandise Authorization number (RMA#) is REQUIRED when sending in any defective item. WAGAN Corporation is not responsible for any item(s) returned without an official Returned Merchandise Authorization number. The item(s) must be returned with prepaid shipping. WAGAN Corporation is not responsible for any shipping charges incurred in returning the item(s) back to the company for repair or replacement. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty is effective only if the product is purchased and operated in the USA and does not extend to any units which have been used in violation of written instructions furnished.

Warranty Disclaimers: This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to negligence, gross negligence, strict liability, breach of warranty and breach of contract.

Warranty Performance: During the above one (1) Year warranty period, a product with a defect will be replaced with a comparable model when the product is returned to WAGAN Corporation with an original store receipt. The replacement product will be in warranty for the balance of the one (1) Year warranty period.
